Inception is a 2010 American mystery film directed by Christopher Nolan and written by Nolan and his brother Jonathan Nolan. It is the first installment in Nolan's film series The Dark Knight Trilogy and a prequel to the 2004 film The Prestige, which Christopher Nolan also directed. Inception follows an attempt by an organization named The Agency to extract information from the subconscious minds of its targets by using a person's dream as a portal into his or her mind. Inception is a science fiction film and a heist film in one film, where multiple teams of mercenaries enter the dream worlds of their opponents in order to penetrate their subconscious minds, and extract hidden memories or otherwise (usually by lying to them into doing so) hijack their every dream in an attempt to fulfill a business, political or crime objective.
